

Xtreme Lol Tournament

How could we create the most powerful League of Legends tournament that would blow up the Esports world?

With the increasing following of Esports in Spain, we have decided that it is time to create an international tournament in Madrid.

The participants of this tournament have to be the best in the world, but it is also very important that they are spectacular games.

Which teams have the best win/loss ratio?

LEAGUE OF LEGENDS

Which teams have the best Kills/Deaths/Assists ratio?

Which teams have the most multiple kills?

Which are the teams with better Winrates?
